

Is your child in 1st, 2nd, 5th or 6th grade?

Your child may be the next scientist in Cedar Rapids!

Come join the University of Iowa scientists in our Cedar Rapids lab! We study language development in children.

We are **open evenings and weekends** to accommodate work and school schedules.

We have safety protocols in place (cleaning, social distancing, and masks) to help protect your child and family.

Compensation

- \$15/hour for 60-90 minutes

Which children are eligible?

- In 1st, 2nd, 5th, or 6th grade
- Normal hearing
- Normal or corrected vision (glasses/contacts are ok!)
- English is the only language they speak fluently

Interested?

- Call **(866) 384-5827** (please leave a voicemail; if we don't answer, we will call you back!)
- Or email us at growing-words@uiowa.edu with the subject line **CHIVAS** and include your **child's grade** and **preferred lab location**—Cedar Rapids or Iowa City—in the message.
