

LEARN TO SKATE

group skating lessons

Learn to Skate at ImOn Ice makes ice skating **fun** and **safe** as athletes grow an everlasting love for the sport. Our certified instructors work with students to build a solid skill progression to **grow self-esteem** while providing the resources needed to develop ice-skating skills.

Programs are available for skaters of all ages and abilities:

SNOWFLOW SAM

introduces kids ages 4-6 to the sport of skating through creative movement and music.

BASIC 1-8 for kids 7 and up helps kids develop fundamental skating skills, developing agility, balance, coordination and speed.

FREE SKATE 1-6

progressively takes skating skills to the next level with transitions, jumps and spins.

ADULT & TEEN targets basic skills specifically targeted for adults and teens.

HOCKEY 1-4 teaches the fundamentals of hockey skating.
